CONQUERORS OF ASIA

STEP INTO A WORLD WHERE LEGENDS
ARE BORN, AND EMPIRES RISE WITH THE
CLINK OF A GLASS.

Inspired by the fearless conquerors who shaped Asia's history, our cocktail menu brings you on a journey across vast terrains and storied kingdoms. From the steppes of Mongolia to the palaces of Persia, each drink tells the tale of ambition, power, and adventure. Raise a glass to the warriors, explorers, and visionaries who carved their names into the annals of time, and taste the spirit of conquest in every sip.

ABOUT US

IN THE 1920'S, SHANGHAI was for China like New York for the United States. The ever changing cultures and eras were blended on the streets of Shanghai. On the roads of Shanghai, where men wore Chinese tabards and western hats, while women wore high heels with Chinese fans in hand.

Sweet opium fragrance was bought by the warm breeze from the sea. On the roads trolley buses and yellow rickshaws were waddling side by side among the buildings, which in turn showed variations of Neo-classical, Gothic or even red-brick styles.

If somebody ever asked us when and where we would like to live, the answer would immediately be Shanghai in the 1920's. It was a magic era, a unique symbiosis of East and West.

When the idea of Tuk Tuk first came to our mind, there were no second thoughts that we would revive every flavour, color, dimension.
